

Finding Your Way

Erica Yee, Maria Isabel Morel, Prisca Joseph | IS4300

Problem

Welcome to myPAWS

[Continue to my Degree Audit.](#)

Problem

- Information Overload
- Lack of feedback
- Confusing Language
- Unintuitive

Redesign Goals

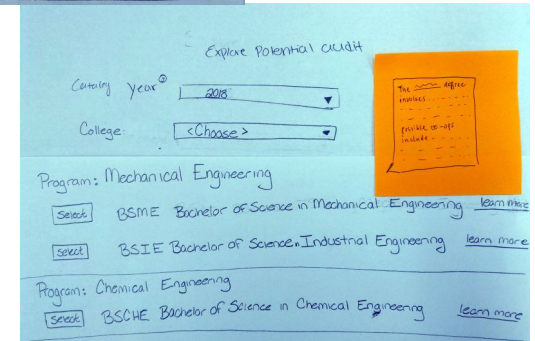

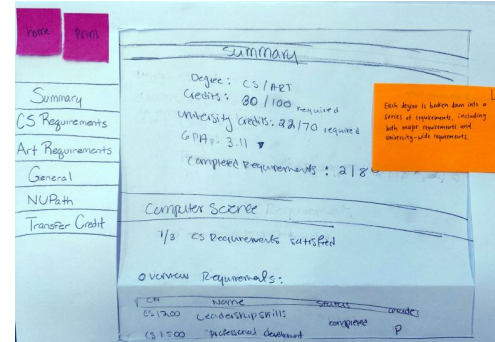

- Clearly presented information
- Connecting it to the University Catalog
- Views that cater to task
- Ease of navigation
- Screen versatility

Users & Task

- Users
 - Students
 - Academic advisors
- Tasks
 - Deciding on a major
 - Determining courses left to graduate
 - Figuring out how to fulfill a requirement

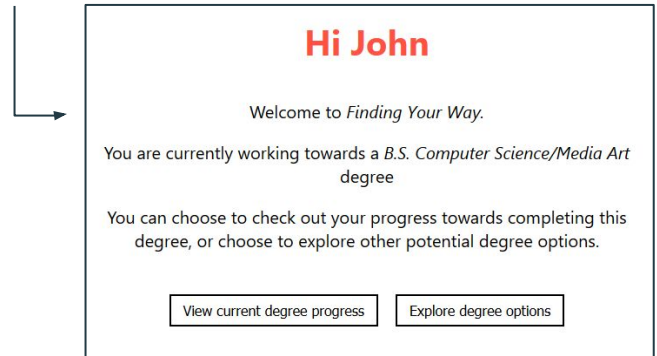

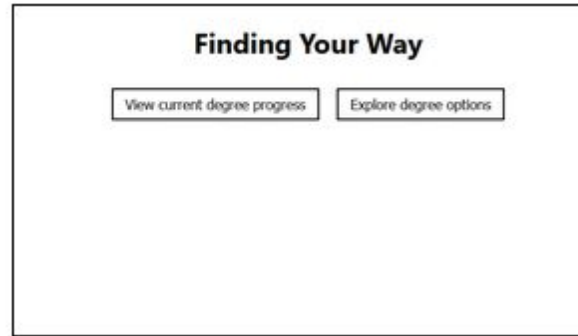

Paper Prototyping

- Language
 - Using tooltips for added explanation
- Navigation
 - Home/back button
- Interactive Components

Heuristic Evaluation

- Embedded help
- Expanded explanations
- Used common language

Demo

Extra

- Additional prototypes & testing
- Surveys/Analytics
 - Features
 - Explore Page
- Browser/Device testing
